

EMBLEM MULTI GRADE SAE 5W30

EMBLEM Multi-Grade SAE 5W-30 is formulated to provide premium lubrication protection and fuel efficiency in year-round service. Made from selected premium base oils and an exceptionally shear-stable V.I. improver, which is particularly advantageous in today's smaller engines with higher rpms, high operating temperatures, critical overhead camshafts and extended oil drain intervals currently specified by automotive manufacturers.

Typical Properties

Viscosity, SUS @ 210 °F	62.5
Viscosity, cst @ 100 °C	10.5
Viscosity, SUS @ 100 °F	317
Viscosity, cst @ 40 °C	62
Viscosity Index	160
Gravity °API	30.4
Flash Point COC °F	390
Fire Point COC °F	435
Pour Point °F	-39
CCS Viscosity ASTM D2270 cP@ -30 °C	6200
Color	2.5
Sulfated Ash, % wt.	0.85

EMBLEM Multi-Grade SAE 5W-30 meets or exceeds the performance requirements of the following:
